Legal Department.

The view taken in the P.W.D. note at pages 9-10 ante appears to be correct. If the permission granted under sub-section (3) of section 5 of the Bombay Electricity (Emergency Powers) Act, 1946 is granted absolutely and not subject to the condition of its revocation under certain circumstances it would not be possible to cancel the same. As suggested in the P.W.D. note action can be taken under clause (a) of new section 6A(1) proposed to be inserted in the Act either for prohibiting or regulating the distribution or supply of electrical energy by a licensee notwithstanding the fact that permission has been granted to him for supplying energy to any person.
